

TRU-DOCK™ Bumpers

Increase safety and improve efficiencies in your dock

Description

Metalbilt's TRU-DOCK™ Bumpers complement the full range of TRU-DOCK™ loading pod solutions and can be retro-fitted to existing dock areas. With three bumper options available, you can choose the right bumper to suit your environment.

Product Information

Extremely robust, the TRU-DOCK™ bumpers provide added protection to loading areas, increasing the safety of your staff while improving your loadout efficiencies.

Metalbilt's TRU-DOCK™ Bumpers work together with TRU-DOCK™ loading pod solutions for new or existing loading bays.
